Michele S. Buonanduci

Postdoctoral Researcher · mbuonanduci.github.io · mbuon@uw.edu

Research interests

Spatial & statistical analysis, landscape ecology, forest disturbance ecology

Education

2020 – 2023 **Ph.D.** Quantitative Ecology and Resource Management

University of Washington, Seattle, WA

Spatio-temporal patterns of forest disturbance in western North America: implications for forest resilience

2017 – 2019 M.S. Quantitative Ecology and Resource Management

University of Washington, Seattle, WA

Modeling individual lodgepole pine mortality from mountain pine beetle outbreak in a spatially explicit framework

2008 – 2012 **B.A.** Environmental Science

Boston University, Boston, MA

Research experience

2023 - Present **Postdoctoral Researcher**

The Nature Conservancy & University of Washington

2017 - 2023 Graduate Research Assistant

Quantitative Ecology and Resource Management & School of Environmental and Forest Sciences, University of Washington

2010 Undergraduate Research Assistant

Department of Geography and Environment, College of Arts and Sciences, Boston University

Research grants & fellowships

2024 – Present Science for Nature and People Partnership Working Group & Research Fellowship

Integrating salmon and forest resilience to wildfire in the western United States

(\$221K - Fellow)

2021 – 2022 Northwest Climate Adaptation Science Center Research Fellowship

Potential impacts of future fires in the western Cascades: insights from spatial metrics

of burn severity (\$46K - Fellow)

2021 - 2022Joint Fire Science Program Graduate Research Innovation Award Does high-severity patch structure scale consistently with fire size across the Northwest *US?* (\$25K - PI) 2017 - 2018UW Quantitative Ecology & Resource Management First Year Fellowship (3 quarters graduate tuition + stipend) Teaching assistantships Winter 2023 ESRM 101: Forests, Fire & Society (University of Washington) Winter 2021 QSCI 381: Introduction to Probability and Statistics (University of Washington) Spring 2020 ESRM 315: Old-Growth Forest Ecology & Management (University of Washington) Spring 2019 QSCI 381: Introduction to Probability and Statistics (University of Washington) Winter 2019 QSCI 381: Introduction to Probability and Statistics (University of Washington) Professional experience Staff Scientist, Part Time as Needed - Arcadis, Seattle, WA 2017 - 20202015 - 2017**Staff Scientist** – Arcadis, Denver, CO 2013 - 2015Scientist II – Arcadis, Chelmsford, MA 2012 - 2013Scientist I – Arcadis, Chelmsford, MA **Publications** 2025 Buonanduci, M.S., E.R. Mar. 2019	Buonanduci, M.S. , J.E. Morris, M.C. Agne, and B.J. Harvey. Within-stand factors affecting survival of lodgepole pine following a severe mountain pine beetle outbreak. University of Washington School of Environmental and Forest Sciences Graduate Student Symposium
	Invited guest lectures
Winter 2024	ESRM 101: Forests, Fires, and Society (University of Washington)
Autumn 2021	ESRM 490/SEFS 501: Forest Community Ecology (University of Washington)
Spring 2021	ESRM 490/SEFS 501: Forest Community Ecology (University of Washington)
Spring 2020	ESRM 315: Old Growth Forest Ecology and Management (University of Washington)
	Volunteer & service
2022 – Present	Manuscript reviewer
	Journals: Fire Ecology, Ecology, Ecosphere, PNAS, Regional Environmental Change
2020 - 2021	Graduate student representative Diversity, Equity, and Inclusion Committee, Center for Quantitative Sciences, University of Washington
2020 - 2021	Peer mentor
	Quantitative Ecology and Resource Management Program, University of Washington
2020	Graduate student representative Grants Specialist Hiring Committee, School of Environmental and Forest Sciences, University of Washington
2018 - 2020	Organizer Graduate Student Symposium, School of Environmental and Forest Sciences, University of Washington
2018 - 2020	Graduate student representative Research Committee, School of Environmental and Forest Sciences, University of Washington
	Honors & awards
2019, 2021, & 2023	Quantitative Ecology and Resource Management Student Travel Award, University of Washington
2019	Honorable Mention for Best Student Presentation, Annual Meeting of the U.S. Regional Association of the International Association for Landscape Ecology
2019	Honorable Mention, National Science Foundation Graduate Fellowship
2019	College of the Environment Student Travel Award, University of Washington

2012 – Present Phi Beta Kappa

2012 College Prize for Excellence in Geography & Environment, Boston University

2008 – 2009 College Scholar, College of Arts and Sciences, Boston University

Updated March 2025
